Subject: RE: Poll: Deschutes TMDL Kickoff Call

Hi Amy,

Chris has suggested that we carry on without him (his Sept availability is limited), but to see about Ben Cope's availability to attend. Would you mind sharing the poll with him (Cope.Ben@epa.gov)?

So once Ben has responded, try to pick a time where he can attend, but if not possible just pick a time where the rest of us can attend.

Thanks,

Thanks. Appreciate it! Perhaps we can look at some times where it's better to start on the half hour.

Let me check with Chris to see if some of the times that work for everyone else would be possible for him. I'll let you know.

Thanks, Miranda.

Any ideas about the best plan forward? It looks like Chris' schedule is the most difficult piece to fit in during that week.

Jayne – I think if you click twice it will give a maybe response.

Did you include a "maybe" option? That is the one I use for calls at 8 AM (I prefer to get in at 8:30) or conflicts due to meetings/calls in which I am not essential etc.

Hi Miranda and Jayne,

Without Jayne's responses, there are not any times that work for everyone that has responded (<https://doodle.com/poll/ui6c6pd72dpeva7r#table>).

Thoughts? I really figured that 3-4 weeks away, we'd find a time with so many options! Is there anyone that can be considered optional? Should we perhaps try to set up different discussions? Or try for the following week?

Please let me know your preference.

Thanks, Amy

I think a new poll for the week of 9/10 is the best option. Thanks!

Leanne, I'm sorry I missed your call yesterday afternoon. I wanted to loop in Miranda and Jayne so we can determine the best path forward with scheduling a call.

Miranda/Jayne, Cristiana cannot make the call time on 9/4. She proposed a time later that afternoon, but I am unavailable then.

Perhaps the best solution is to send out a new poll for the following week (starting 9/10) as there were no other alternatives that worked for the first week of September based on the last poll. If so, I'd ask for a quick turn-around to complete the poll so we can get the call scheduled before more meetings pop up for everyone.

Please let me know how you would like to proceed.

Thanks, Amy

Hi Amy,

We'll have Cristiana Figueroa-Kaminsky from our environmental assessment program join us.

It might be easier to work through me to schedule both her and Rich. Here are some times that work for all three of us during the first week of September.

Tuesday Sep. 4th – before 10:30 or after 2:00

Wednesday Sep. 5th – anytime between 11:00 and 3:00

Thursday Sep. 6th – Anytime except between 10:00 and noon

Best,

Leanne

Hi Leanne,

Thanks for the update. I will sit tight on my end and wait to hear back from you and/or EPA on scheduling the discussion.

Look forward to working with you.

Thanks Amy,

We'd like to try and include someone from our modeling team in this conversation – but that will likely mean we need to push this out until the first week of September.

I will get back to you as soon as I am able to touch base with them.

Thanks,

Leanne

Hello all,

Please complete the poll below to help identify a good time for an initial discussion on the Deschutes TMDLs. If possible, please complete the poll by Monday, 8/13. I will then distribute a meeting invite for the best time with a call-in number.
